

# Women Entrepreneurs Success Circle Can Help You!

Join with other women entrepreneurs to support each other in our business endeavors. Our informal meetings include open discussion, sharing of knowledge and experiences, and the uniting of our talents to solve problems.

If you have a business concern or just want to run new ideas by other women in a safe and supportive environment, then join the group. If you're not sure how we can help, come to a meeting and learn what we do. You're always welcome.

The WESO Success Circle meetings are open to members of Women Entrepreneurs of Southern Oregon (WESO), friends and other women in business. There is no cost.
